

EXP VARIETY: HRC-002

**BE ONE OF THE FIRST BREWERS TO EXPLORE
THIS EXPERIMENTAL PUBLIC HOP.**

HRC-002, formerly know as 2000-010-008, is a part of the Hop Research Council's Elite Line Experimental Grow Out Program which benefits the USDA Public Hop Breeding Program.

Your experience matters! Brewer feedback on HRC-002 will directly influence the future of this variety.
